

Parents,

Hello, my name is Zachary Bryant and I am the Student Support Monitor for F.R.E. I, along with the school's MFLC, April Pearce, will be facilitating Deployment Groups this year. Deployment group is for students who have or will have a parent(s) deploying. We meet weekly by grade level, for approximately 30 minutes. The group utilizes many books, activities and materials covering different aspects of the deployment process. The intent of the group is to assure students that they are not alone and that there are others who share like experiences.

If you would like your child to attend the Deployment Support Group, please complete and sign the form below. If you have any questions, feel to contact me at (785) 717-6584.

At the bottom is a list of items we use in support group. If you are able to donate any of these items, please send them to school with your student. Students attending support group are not required to bring any of these items, so please do not feel obligated.

Thank You
