### Parent Involvement Policy

Parents are invited to participate in a variety of activities throughout each year. We have scheduled events almost monthly to encourage family involvement, specifically targeting instruction of core curriculum. Other events throughout the school year include Open House, Orientation, Site Council, Schools in Review, home visits to all Grandview students, parent teacher conferences, music and physical education programs, quarterly awards assemblies, and classroom visits. Teachers and faculty also contact parents through phone calls, notes home, newsletters, behavior notes, Think Sheets, Gator Folders, midterms, and grade cards. Parents are always invited to any meeting to develop an individual academic or behavior plan for their children. The school sends home a monthly newsletter, conducts an annual parent survey, and distributes information to parents to assist parents in supporting their children. The school also hands out information regarding community events.

## Professional Learning Community

We are working on creating a Professional Learning Community at Grandview. We have created a Mission Statement (why are we here) and a Vision Statement (what do we hope to become). Please review each statement and offer any feedback.

**The mission of the Grandview Elementary Learning Community is to share the responsibility of educating the whole child.**

**The vision of Grandview Elementary is to provide a safe, engaging environment that encourages continuous learning. Our highly effective instruction is data driven and delivered by a cohesive team that holds themselves and our students to high standards. Our culture embraces respect, trust, efficacy and autonomy. This enables our learning community of parents, teachers, staff, and students to meet high expectations and ensure learning for all.**
