A MESSAGE FROM THE ADMINISTRATIVE TEAM

Welcome to Junction City High School. Our mission is to provide the student with the best educational environment possible - in a way that is engaging, authentic, student-centered, innovative, career-oriented, and which promotes an appreciation for life-long learning.

We are an academic institution committed to excellence. This commitment requires not only respect for the differences in students and staff from widely diverse cultural, economic, social, intel-

lectual, linguistic, and educational backgrounds, but also a sustained effort to use our diversity to achieve this commitment.

Our dedicated staff will provide each student with the necessary tools they will need to lead productive lives in today's ever-changing society. It is our job to encourage and guide students to be the best they can be in and out of the classroom. With over 1700 students annually, and three separate campuses, our resources are ideal for students to receive the proper attention they deserve and also ensure a safe and orderly learning environment. The success of our students depends on the active involvement of the entire learning community as well as the involvement of parents. We ask that you take an active role in the lives of our student body!

All students are encouraged to enroll in a wide range of challenging courses that prepare them for their post-secondary goals. As an academy structured high school, we offer many elective courses that cater to the varied interests of our students. Outside of the classroom our students enjoy a plethora of co-curricular and extra-curricular activities. JCHS boasts league, regional, state and national accolades in recent years in both our co-curricular and athletic programs.

We take great pride in our school, what it has to offer, and its accomplishments. JCHS welcomes your interest in our school and we encourage you to contact us by email or phone if you have any further questions.

-Melissa Sharp,
Principal

ACADEMIC AND BEHAVIORAL SUPPORT

Junction City High School promotes student success by implementing a Multi-Tiered System of Support (MTSS) which provides every JCHS student with purposeful academic and behavioral support. This system is prevention focused by identifying students who need support. It is evidence based by providing students with targeted interventions. Finally, it relies on progress monitoring to insure the effectiveness of staff efforts to make available additional strategies for those students requiring more support. The goal of JCHS MTSS initiative is to promote the success of students so they achieve academically and are able to further their career as a result of their post-secondary education or career-interest readiness.

Promoting Academic Success

JCHS students are encouraged and expected to practice lifelong learning in preparation for graduating ready for college and careers. **To support academic growth, JCHS uses the Multi-Tiered System of Support (MTSS) structure. Its goal is to help students develop and strengthen skills in mathematics and literacy, the building blocks for all learning in both school and life. Consequently, all JCHS teachers incorporate into their daily lessons 1) literacy strategies appropriate to their subjects and 2) development of student habits that create strong problem-solving skills.**

Student Behavioral Expectations

To support the MTSS program, USD 475 and Junction City High School adopted the integrated practices and processes of "Safe and Civil Schools" to support a positive school climate and culture. "Safe and Civil Schools" provides staff and students of JCHS with strategies to prevent behavioral problems, to build collaborative relationships, to identify appropriate student expectations, to instruct students in those expectations and to promote positive behaviors throughout the school environment. It is founded in the principle of "Blue Jay PRIDE," which reflects the best of all Junction City High School students through "Preparation, Respect, Initiative, Determination and Ethics." The five elements of "PRIDE" are promoted and encouraged in the classroom, in non-classroom areas, in the parking lot, in school lunch periods and in after-school activities. Students are encouraged and expected to conduct themselves in a scholarly, respectful manner that reflects the business like attitude of a JCHS student focused on preparing for successful careers with the goal of graduating. Specifically:

- Prepared for their academic classes, knowledgeable in Student Information Book expectations

and always ready to present their student identification/personal ID on request.

- Respectful of school property, of student property, of the school environment and of individual differences.
- Initiative as reflected through focused student effort on classwork, on student collaboration, on following school expectations, rules, policies and procedures and on maintaining a neat and clean campus.
- Determined to promote positive classroom environments, to display appropriate behaviors that do not make others uncomfortable and to comply with Student Information Book Behavioral Expectations.
- Ethical behavior as demonstrated by doing what is right, treating others fairly, doing one's own work and crediting primary and secondary sources.

SCHOOL COLORS: Blue and White

SCHOOL SONG

Where the valley of the Kansas
Meets the eastern skies
Proudly, dear old Junction's banners
On the breezes rise.

(Chorus)

Hail to her and to her colors

White beside the blue

Hail to dear old JCHS

Hail to Junction true.

Just beyond the Smoky River

In a busy town,

Stands the high school of old Junction

Great is her renown.

(Chorus)

Praise her knowledge and athletics,

Those of Blue and White

While we swear that to maintain them,

We will ever fight.

(Chorus)

SCHOOL MASCOT: Blue Jay

FIGHT SONG

Onward Blue Jays, Onward Blue Jays

Don't give up the fight (fight, fight, fight)

Fight on Blue Jays for your colors,

Royal Blue and White (fight, fight, fight)

Onward Blue Jays, Onward Blue Jays

Fight on for your fame

Fight on to victory

And WIN THIS GAME!

HISTORY OF JUNCTION CITY HIGH SCHOOL

The school district which included Junction City, Fort Riley, Milford and Grandview was organized in July of 1862. The first building constructed for school purposes was built in 1866. The old bell from the first high school and the Bronze Blue Jay statue are displayed near the Shenk Gym entrance signifying the history and heritage of Junction City High School.

The present high school building was completed and occupied during the 1958-1959 school year. The first

major addition was made in 1963. In 1977, another major addition was completed, providing additional media center facilities, a new gymnasium with dressing rooms, and a student commons area. In 1979, a fourth addition was added to the south comprising science facilities, three classrooms, a 110-seat multi-level lecture hall, facilities for exceptional student services and exceptional student services reading laboratory. This wing is now the location of the Business Information Technology Academy with the lecture hall and ESS laboratory converted to classrooms. In 1984, there was a fifth addition to the northeast corner of the building to house the instrumental music program. In 1990, an addition to the south housing two chemistry labs, a foods lab, 10 general purpose classrooms, two conference rooms, several teacher offices and an addition to the cafeteria was completed. In the same year, JCHS became a 9-12 high school. The most recent construction to what is known as the Junction City High School Career Academy Campus Site added a new weight room, installed a wood floor in Shenk Gym, air conditioned the entire building, added a connecting link between the main building and Deever and added academy offices.

In the 2010-2011 school year, Junction City High School conducted classes at two campus sites. Those sites included the Career Academy Campus at 900 N. Eisenhower, and the Freshman Success Academy Campus at 300 W. 9th Street. The FSA Campus site is a remodeled facility which supports the transition of Freshman students to High School. The FSA Campus's refurbished classrooms, redesigned technology infrastructure, renovated cafeteria as well as the addition of a new commons area, learning center with virtual classroom and administrative offices is ideal for supporting the FSA's team approach, for providing extra academic support, and for allowing career exploration.

SECTION II: PROCEDURES/REGULATIONS

NOTICE: BOTH THE CAREER ACADEMY CAMPUS AND FRESHMAN SUCCESS ACADEMY CAMPUS ARE UNDER CCTV SURVEILLANCE

Students are under the authority of the Faculty and Staff employed by USD 475 any time they are on school grounds, at school-sponsored activities or being transported by bus to and from school.

Students must respectfully follow district and school policy and any additional directions as instructed by school personnel and other persons placed in authority.

GENERAL SEARCHES AND METAL DETECTION SEARCHES

To help maintain a safe learning environment, searches for contraband on JCHS students will be periodically conducted. Any or all person(s) entering either JCHS campuses may be subject to search, **at any time**, in accordance with district policy. Contraband found will be confiscated and turned over to school administrators for further action with the person found in possession of the item(s).

- Searches may include, but are not limited to: Lockers, Hall Sections, Classrooms, Parking Lot Areas, Visual Searches of Individuals, Bags, Book Bags, Purses and Vehicles.
- Searches may be performed using Walk-through metal detection, Hand-held metal detection scanners, and/or Drug-Detecting Canines.

CELL PHONE AND NON-EDUCATIONAL ELECTRONIC DEVICES

The appropriate use of cell phones and other non-educational electronic devices will be permitted before and after school hours in the hallways, in passing period, and in the student's assigned lunch period. The use of cell phones and other electronic devices for inappropriate reasons while on campus (including cheating, sexting, harassment, or any use that is inappropriate and in violation of the Acceptable Use Policy, or disruptive to a positive learning school environment) will be cause for disciplinary action. Students are not permitted to leave class to use a cell phone or electronic device. It will be considered a violation if the student's cell phone or electronic device disrupts the class. Students are expected to cooperate in handing over cell phones and digital media devices when requested. Students are not allowed to take out the SIM cards or batteries. Students insisting on doing so are in violation of "failing to comply" and appropriate action will take place. If student refuses to hand over the device, it will lead to administrative actions. Students may be suspended for repetitive violations of this policy and/or related insubordination.

During class sessions or in an assembly, and when students are not in the classroom, electronic

devices may not be used unless the student has permission and is under the direct supervision of a staff member.

The school is not responsible for lost, stolen or broken digital media devices.

Violation of the cell phone/electronic device policy will be as follows:

- 1st & 2nd Offense: Cell phone/Non-educational electronic device will be taken away by a JCHS teacher or staff member. The item may be picked up at the end of the day by the student's parent in the student's respective Academy Office.
- 3rd Offense or more: Referral to administration which could lead to ASD/suspension. Cell phone/Non-educational electronic device will be taken away by a JCHS teacher or staff member and brought down to an administrator. The student will be assigned ASD/suspension and the item will be returned to the parent.

APPEARANCE/DRESS CODE

A student's personal appearance is the responsibility of the student and his/her parents, but becomes the responsibility of JCHS when it disrupts learning. The preferred dress for JCHS is casual attire, reflective of a student who is career ready. The **JCHS Administration reserves the right** to make decisions concerning the appropriateness of a student's attire, and also **reserves the right** to confiscate any item deemed inappropriate for school or to send a student home for a change of attire. These items will then be retained in the Academy Office of that student.

Students are not allowed to wear

- Clothing that is inappropriate - exposing chest, shoulders (shoulder straps no less than 1 inch or racer cut tops), bare midsection and/or buttocks.
- Clothing/Garments with inappropriate or offensive messages/graphics – including but not limited to references to weapons, drugs, alcohol, or sex.
- Headwear, gloves, sunglasses or goggles (unless approved by the school nurse or lab instructor).
- Gang affiliated attire, logos or jewelry.
- Any attire—including jewelry and tattoos—construed to be gang-related.
- Chains longer than six (6) inches, jewelry/accessories that could cause injury.
- Pajamas

Other Specifications:

- Footwear must be worn at all times (must have hardened soles of rubber, leather or equivalent).
- Pants will be worn at or above the natural waistline (no sagging of pants). Skirts and shorts will be an appropriate length regardless of the garment worn underneath. Appropriate length will be determined by the student extending his or her arms and fingers down the side along the garments natural seam. Fingertip length applies for the entire garment. Shorts, skirts or dress shirts, which do not extend to the end of the fingertips or longer, are not appropriate for wear in school. This also includes ripped pants which exposes skin and does not comply with appropriate length. Clothing designed as under garments such as tights or leggings or similar fitting outer garments will not be worn as outer garments. Students who wear tights, leggings or similar fitting outer garments must wear appropriate clothing over the garment that meets the schools fingertip length policy.

PUBLIC DISPLAYS OF AFFECTION/PROFANITY

Public Display of Affection (PDA):

- PDA is not an appropriate behavior for either the school environment or for the work place environment. Behaviors involving PDA whether mild forms of physical intimacy and/or objectionable forms of affection such as embracing/intimate hugs or kissing will be addressed through the "Safe and Civil Schools" Practices or reported as either insubordination or obscene

behavior.

Profanity:

- Profanity/Inappropriate Language which includes foul or obscene language is not appropriate for the school or work place environment. Profanity in school, on school property or school activities creates a negative learning environment for students and a hostile work environment for staff. Profanity/inappropriate language will be reported through the “Safe and Civil Schools” practices or referred as either Insubordination, Profanity, Threat, Harassment, Intimidation or Verbal Bullying based on the intention of the student or how it is received by others.

FOOD/DRINKS

Food/drinks brought into the campus buildings must be in a closed container, and shall not be consumed in any area other than the cafeteria. Any items brought into the campus buildings are subject to search. *Food/Drink in classrooms is up to the discretion of the individual classroom teacher. Students not in compliance will be asked to dispose their food or beverage.*

Food/Candy sales (for fundraisers) may only take place in the commons areas before/after school. Edibles may not be taken aboard or consumed on any bus or any school vehicle. Exceptions may be approved through the sponsor/coach and activities/athletic director.

STUDENTS IN BUILDING AFTER SCHOOL HOURS

Students who need to be in the campus buildings after hours must be supervised by a faculty or staff member at all times. Students waiting for rides will wait in the area designated by the supervisor or coach. All other students will wait for rides at designated pickup points. Students may wait for rides in the commons area or office foyers with permission of school officials only. In the event of a school sponsored activity, students should inform rides to pick them up no later than 15 minutes after the close of an activity.

AFTER SCHOOL DECISIONS (ASD)

Objective: To encourage students to make positive behavioral decisions. The After School Decisions Program (ASD) is a structured setting that allows students to serve detention as a consequence of a poor decision in violation of school or classroom policies. While in ASD, students are expected to be working on academic assignments while following all rules and regulations of the adult supervisor. The goal of ASD is to encourage students to take a more positive role in making decisions throughout life, including school.

Day/Hours: Tuesday and Thursday from 3:45 p.m. to 5:45 p.m. Students will not be admitted after 3:45 p.m. for ASD without a pass from an administrator. Students will serve ASD only on the days in which it is designated for their campus site.

ASD Location: Occurs at both campuses Tuesday & Thursday.

1. Attendance will be taken by the ASD Supervisor each day. Students who do not serve their assigned ASD time will be reported back to the administrator who made the assignment.
2. Students will bring assignments and necessary materials to work on during the time they are assigned to ASD.
3. Students are to be engaged in meaningful academic work at all time, and therefore will not be allowed to talk, socialize, listen to electronic devices, play games, write personal notes, or sleep.
4. Food and drink is not allowed in the ASD room.
5. Students are responsible for making their own arrangements for transportation from the ASD location to their homes.

SUSPENSION AND EXPULSION

In accordance with the laws of the State of Kansas, K.S.A. 72-8801, and USD 475 Board Policy, Section JDD, Suspension and Expulsion Procedures, a student may be short term suspended (not exceeding 10 days), long term suspended (not to exceed 90 days) or expelled (not to exceed 186 days) With any suspension the parents or guardians will be notified in writing of the duration and

reason for the suspension. **Suspended students may not attend or participate in any home or away school activities — or be on the school campus — for the duration of the suspension or until the student has fulfilled all obligations associated with the suspension and/or the decision of a Due Process Hearing Officer.**

Suspended students must attend in good standing the Larry Dixon Center's full day program (8:30 – 3:35) as well as those programs designated by the issuing administrator and/or behavioral interventionist. Any suspension of 10 days or more must have a due process hearing to be Long Term Suspended or Expelled. Students must successfully complete their assigned suspension to be reinstated in good standing at JCHS. The Larry Dixon Center is located at 920 West 6th Street.

SECTION III: ATTENDANCE/TARDY POLICY

ATTENDANCE POLICY

Attendance is one of the most significant factors leading to student academic success.

1. The parent/guardian must call the school before or immediately after a student's absence. If the parent/guardian is unable to telephone the school, a note from the parent/guardian must be received the day the student returns to school. For reasons other than illness or emergency, the school must be notified within 3 days or the absences will be considered unexcused.
2. On the day the student returns, he/she is to immediately report to his/her Academy Office. The student will be given an admittance slip verifying the absence(s) as excused or unexcused.
3. Students arriving late to class must report directly to class. Student tardies will be recorded by the classroom teacher.
4. As outlined in Section VIII: Students are expected to be at school and in class the morning after an activity the previous night.

CONFIRMED SKIPS

A confirmed skip occurs when a staff member, parent and/or student confirms that the student was absent without the parent's permission or an attending student's location during the school day, whether or not it is on or off campus, is unknown. *Junction City High School neither recognizes nor condones organized or unorganized "skip" days.* Disciplinary consequences will be administered for all confirmed skips.

MAKE-UP WORK DUE TO ABSENCES

After an excused absence, an opportunity to make up the missed work will be extended. Students will be allowed extended time according to the teacher's policy as identified in the course syllabus. It is the student's responsibility to contact teachers for make-up work. Students involved in school-related absences must contact their teachers a day ahead of time for assignments. Teachers, however, have the option of denying credit for makeup work resulting from an unexcused absence.

STUDENTS LEAVING DURING SCHOOL HOURS

Parents and students are encouraged to schedule appointments outside of school hours. Parents/guardians of students who must leave during school hours should contact their academy office. The office will issue an appointment slip to the student. ***Students who depart campus during school hours must sign out and in through their academy office.***

COMPULSORY ATTENDANCE ENFORCEMENT PROCEDURE

In compliance with K.S.A. 72-1113, students under the age of 18 (unless previously exempted from compulsory attendance requirements) absent without excuse on either 3 consecutive school days or 5 school days in any semester or 7 school days in any school year, shall be reported to the County Attorney.

In addition to State Statutes, USD 475 will implement a truancy program for the 2016-2017 school year. Truancy procedures will be published and made available prior to the start of the school year.

TARDY POLICY (UNEXCUSED)

Teachers will follow the established tardy policy and procedure (listed below). *Teachers will also notify the administration of any recurring tardy problems.*

- | | |
|--------------|--|
| First tardy | Teacher will conference with the student and review the school tardy policy. |
| Second tardy | Teacher will assign 15 minutes of detention, and notify parent. |
| Third tardy | Teacher will forward a referral to the Academy Principal for action. |

Cumulative tardies will result in additional ASD, OSS, placement on Attendance Contract, and/or the convening of an Attendance Hearing.

SECTION IV: STUDENT SERVICES

SEMINAR PERIOD

1. PHILOSOPHY AND PURPOSE OF SEMINAR

Seminar is an important part of the Academy Model for both the CAC and FSA sites. Seminar provides an opportunity for students to receive academic assistance from teachers, utilize computer labs, access library/media center, complete make-up work, take tests or quizzes, work on projects, receive tutoring, collaborate with others, explore or experience career pathways or complete their homework. It is the responsibility of both the student and the Seminar Teacher to ensure that Seminar is used for its intended purpose. Furthermore, all Seminar guidelines must be consistently followed.

2. SEMINAR PROCEDURES

- Both campuses have Seminar every day. Seminars are dedicated to career cluster activities, MTSS academic/behavior support, general academic support, clubs/activities and Read for Me. Wednesdays are dedicated to Clubs/Organizational meetings. Students who do not have a career cluster activity scheduled or are not assigned to a MTSS activity will be allowed to travel to another teacher's classroom for academic support. Students who travel must have written permission (notes, emails, signed hall passes or signed agenda) by the requesting teacher. Students who remain in seminar will work quietly on homework. Students who do not have homework, will participate in Career Cluster/Career Readiness activities or "Read for Me" activities.
- Students will use a brightly colored Seminar pass for Seminar travel. Seminar teachers are responsible for retaining Seminar passes. Every time a student leaves the Seminar Room, he/she must have the exit time and date noted along with the teacher's signature on the Seminar Pass. Likewise, every time a student arrives at a destination he/she must have the date, arrival time, and the receiving teacher's signature. Also, the student is responsible for signing in/out of Seminar. Thus, the Seminar teachers will always know the student's whereabouts in case of emergency. All students are required to return to their assigned Seminar class before 3:30 p.m. and return their Seminar Pass to their Seminar Teacher.
- All destinations need to be identified prior to a student departing their seminar class. Each of those destinations need to be supported with written approval by the requesting teacher. That approval can be an email sent to the seminar teacher or a hand written note either directly from the requesting teacher or one that is provided to the student. Important: Students cannot make a verbal requests to see a teacher.
- A requesting teacher may hold on to a student to the final bell in order for the student to complete their work. If that is the case, the requesting teacher must notify the seminar teacher and insure the student's seminar pass is returned to the seminar teacher.
- Seminar Teachers may suspend seminar privileges according to their own Seminar policy.
- Seminar teachers will award A,B,C,F grades, based on a school-wide Seminar grading policy. The following percentages will be used to determine grades: A- 94-100; B- 87-93; C- 80-86; F 0-79. A student will not earn credit for Seminar if his/her total number of absences (excused and/or unexcused) exceeds 9 for the semester. School related activities are not included in this total.

3. LIBRARY/MEDIA CENTER GUIDELINES FOR SEMINAR

In Seminar, library use is for school assignments, research, career cluster activities and media support. Students who want to go to the library do not need a pass from the library. They are

expected to use their seminar pass and will show their destination as the library. The library will mark an arrival time and will show a departure time. In most cases a student will return to their seminar from the library. The exception will be the student who requests to go to the library first and has an approved additional destination. Students are expected to leave the library for their assigned Seminar class no later than 3:25. Students must have a student I.D. in order to check out.

LIBRARY/MEDIA CENTER (JCHS CAC) / LEARNING CENTER (JCHS FSA)

The Library/Media Center is the focal point of many activities. It provides a variety of resources that may be used by students for educational and recreational purposes. The Library/Media Center is open from 8:00 AM to 4:00 PM daily. All students, including TA's, must have a pass to enter during school hours unless they are part of a class that reserved library time.

Policies:

- Students need a student I.D. in order to check out materials.
- Between the hours of 8:30 am and 3:35 pm, personal electronic device may be used with the direct supervision of either the Media Specialist or the assigned teacher.
- Fees will be charged for late/lost materials.
- All school rules will be enforced.

LUNCH PERIOD

Junction City High School maintains an "open" lunch period for students at the Career Academy Campus. Students at the Freshman Success Academy Campus are not allowed to leave campus.

Open lunch at the Career Academy Campus is a privilege and can only work if all students take the responsibility to follow reasonable guidelines. The following guidelines apply to students during open lunch:

1. Avoid using/abusing the property of those citizens who live near JCHS; do not loiter on their property.
2. Be on time for class.
3. Keep the grounds neat by not littering; trash cans are provided.
4. Adhere to all city ordinances, getting into trouble with the law during lunch may be cause for that student to lose open campus privileges.
5. Avoid the hallways unless issued a hall pass by the security booth, library staff, academy office or teachers.
6. School policies remain in effect during the lunch period, even if the student chooses to leave campus for lunch. Violation of those policies during the lunch period may result in administrative action.

All students who use the cafeteria will follow the behavioral guidelines listed below:

- Students are allowed in the cafeteria ONLY during their assigned lunch period.
- All food is to be eaten in the cafeteria, cafeteria annex, and/or courtyard only.
- All trays and utensils must be returned to the proper area.
- Chairs shall not be moved to the end of the table or block the aisles.
- All students in the cafeteria must be seated.
- Students apply funds to their lunch account with the bookkeeper in room D128 at the CAC and room 111 at the FSA.

LUNCH/HALLWAY ACCESS

Bells will ring during the lunch periods, refer to bell schedule. Students must always be aware of the time. To decrease the amount of commotion and noise in the hallway while students go to and return from the cafeteria – routes will be specified. Individual teachers will instruct students as to which hallways they are to use.

HALL PASS

Your planner is the preferred hall pass. Students may not be in the hallways other than between classes without an appropriately signed planner, hall pass or note from a teacher or hall pass from an academy office/security booth and a student I.D. Hall passes must include the student’s name, date, time released and teacher’s signature.

HALL TRAVEL

In order to allow mobility and navigation in the halls, **students are not permitted to sit or gather in groups that cause impassable conditions.** These are unlawful conditions and are covered in the fire code.

VENDING MACHINES

Vending machines will be available for student use. The bookkeeper/cashier will not refund money lost in machines. Be advised that rocking, kicking or punching vending machines is both unsafe and unacceptable. Damage to machines due to abuse will be considered vandalism and will be handled accordingly. Students are not to use vending machines in faculty lounges, faculty work rooms, conference rooms or custodial office areas.

HEALTH SERVICES

School health services are provided by a registered nurse or by school personnel under the direction of a registered nurse. Services include, but are not limited to, health education, emergency care, first aid, evaluation of illness, assistance with securing medical services, communicable disease control, monitoring chronic conditions, administering medication and vision and hearing screening.

It is recommended that parents/guardians screen their children for illness **before** they are sent to school. Questions regarding health status may be addressed to the school nurse. Should a student become ill in school, there is a need to have accurate phone numbers at school in order that parents or an alternate person can be contacted immediately.

Parents/guardians are responsible for providing transportation for injured or ill students.

- **IMMUNIZATIONS:** The Kansas School Immunization Law requires that each student must have proof of age appropriate immunizations at the time of enrollment. This includes any boosters that may be needed, such as **Td or Tdap every ten years.**
- **ILLNESS AND FIRST AID:** First Aid will be given at school and parents will be informed as necessary. Students may be excluded from school if in the judgment of the school nurse they are suspected of having a communicable disease and/or have an illness or injury that significantly limits their participation in the classroom. Modifications will be made for special circumstances with a note from a doctor. **Students should have no vomiting, diarrhea or 100.0 degree temperature or higher (without medication) for twenty-four hours prior to attending school.**
- **SPECIAL HEALTH CONCERN:** **Inform** the school nurse if your student has specific health problems such as diabetes, seizures, asthma, cerebral palsy, vision or hearing difficulties and/or if your child needs to have medication dispensed at school. The nurse, along with the family, will develop a plan of care. The nurse will inform appropriate faculty and staff of the plan. **If a student cannot fully participate in physical education, a note from a doctor is needed. The note must say what the student cannot do, how long the student cannot participate fully and what type of activity the student can participate in. Recommend using PE/Activity & Healthcare Provided Share Sheet that can be obtained in the nurse’s office.**
- **Sickle Cell:** Kansas Law H.B. #2236 requires that you be informed that the nearest facilities that provide counseling and possible testing for sickle cell trait and sickle cell anemia are:
 - Geary Co. Primary Care Physicians (785) 238-4131
 - Geary County Youth Clinic (785) 762-5022

- Geary County Health Department (785) 762-5788
 - Konza Prairie Community Health Center..... (785) 238-4711
 - Irwin Army Community Hospital..... (785) 239-DOCS
- **MEDICATION:** Students are not allowed to self-carry medication (prescription, over the counter or vitamins/supplements). Parent or guardian can send in a bottle of medication and sign a permission slip form. The medication will be kept locked up in the health office and will be administered as needed or as prescribed by the Doctor. Epi-pens and rescue inhalers are the only exception. Please refer to the USD #475 Medication Guidelines.
 - **SCREENINGS:** The following screenings are conducted:
 - Vision: Students in Grades 9 and 11 and new students annually.
 - Hearing: Students in Grades 9 and 11 and new students annually.
 - Students with IEP's as required.
 - **Junction City Youth Clinic (JCYC):** This clinic serves the needs of youth ages 1-21. The clinic provides physical exams for day care, school, employment and sports. Additional services include, but are not limited to, treating minor illnesses, immunizations, family, planning, counseling and referral services. The Clinic is located at 1018 W. 6th Street. (785) 762-5022.
 - **SPORTS PHYSICALS:** A fee of \$20 is required for sports physicals from **Junction City Youth Clinic**. Physicals are valid from May 1st the preceding year they are needed. Appointments are required.

If a student is referred to another facility, arrangements need to be made by the parent/guardian for additional costs.

JCHS students will be released to the clinic during school hours only if a parent/guardian has signed a consent form that is on file with the school. Students without consent are welcome to visit the clinic before school, during lunch and after school.

A fee is charged for services and most insurance companies can be billed. They are not able to bill Tri-Care, so payment is the patient's responsibility. If no insurance is available, a donation for services is requested.

SCHOOL RESOURCE OFFICER (SRO)

The SRO Officer's job at the school is to maintain the safety and welfare of the students and staff. Also, the SRO is available to be a guest lecturer and to meet with parents concerning their student's welfare. The officers currently assigned to JCHS are Officer Eddie Torres (CAC) and Officer R.J. Landreville (FSA). For information, you can contact the Career Academy Campus SRO in room 100, or call 717-4240. You can contact the FSA Campus SRO in room 120E, or call 717-4119.

CRIME STOPPER HOTLINE

Junction City High School Crime Stopper hotline is for anyone wishing to report a crime. It is completely anonymous, with only the SRO receiving the tip. The telephone number is 717-4200 ext 4240.

SECTION V: COUNSELING/ACADEMIC CONCERNS

COUNSELING SERVICES

This important service is available to any student at any time. Each counselor has a sign-up sheet for student appointments. The following are some reasons for visiting with a counselor.

1. Discussing personal problems.
2. Academic difficulties in a class in which they are currently enrolled.

3. Assistance with enrolling in early college or dual credit classes and obtaining internships.
4. Making educational and career plans for your future.
5. Discussing scholarship and other financial aid opportunities.
6. Applying for admission to vocational schools, colleges, private schools, the military, etc.
7. Reviewing job opportunities.
8. Resolving conflicts with friends.
9. Assisting with college bound/student athlete eligibility and clearing house requirements.

STUDENT CLASS SCHEDULES/SCHEDULE CHANGES

During the spring semester prior to the new school year, class schedules will be developed through a pre-registration program. Returning students are encouraged to consult with their parents, staff members and school counselors to determine the desired class schedule.

Schedule Changes may be allowed for the following reasons. No exceptions will be made.

- To meet graduation requirements
- To match the student's original course selections
- To remove a class for which the prerequisite is missing
- To remove a course the student has already taken
- Flex Scheduling (internships/college course work)

FRESHMAN SUCCESS ACADEMY - TEAM REQUESTS AND TEAM CHANGES

Because of the complex process of building a master schedule and scheduling students in a career academy high school and the need to maintain balanced enrollment numbers in each of the freshman teams, the following policies will be followed:

- The Freshman Success Academy will not honor requests for placement on a particular team.
- Changes from one team to another will be made only when based on the recommendations of the sending team, and with the approval of the receiving teacher(s).

ACADEMY CHANGES

- Academy selection/placement occurs in the Spring of the preceding year and are based on the student's career cluster of interest.
- Academy transfers will not be made during a school year.

GUIDELINES FOR TEACHER ASSISTANTS (TA'S)

1. Students requesting or assigned as TA's must be in good standing with Academics, Attendance, and Behavior.
2. Only students classified as juniors and seniors are eligible to be TA's
3. A student must have regular attendance in all classes, must maintain eligibility, and must demonstrate positive behaviors at all times.
4. **A student can only be enrolled as a T.A. once per semester.**
5. A student who is dropped or removed from a class by an administrator cannot replace that class with TA.
6. **Students can earn a maximum of two (2) T.A. credits during high school**
7. Students must have written teacher approval to be a T.A.
8. Exceptions to the above guidelines may only be approved by an administrator.
9. Students schedules will not be rearranged to accommodate TA requests; TAs may only be assigned when there is a hole in the schedule.

WITHDRAW FAILING/PASSING

Students dropping a course after the ninth (9th) week of a semester will be given a WP (Withdrawn Passing) if they have a passing grade or a WF (Withdrawn Failing) if they have a failing grade. WP will not be counted toward GPA or credit. WF will be treated as an F; it will affect GPA. The JCHS building principal in conjunction

with the Academy Principal will make the final determination as to whether a student is allowed to drop a class with either a WP or a WF.

STUDENT WITHDRAWAL/TRANSFER RULE

All students requesting to withdraw from JCHS less than ten (10) days before the end of a semester should present a copy of the parent's military transfer orders or documentation of a civilian job transfer to the student's academy principal. These students will be issued final grades showing the status of school work to date (as of the day of departure from school).

CLASSIFICATION

For classification, students must have earned the following number of credits:

Sophomore –6 credits

Junior –13 credits

Senior –20 credits

GRADUATION REQUIREMENTS

A graduating student must earn a minimum of twenty-six (26) credits beyond the eighth grade. Seventeen and one-half (17.5) of those credits must be in the areas specified. The additional eight and one-half (8.5) minimum units may be chosen from offerings in any curricular area. Junction City High School complies with the Military Interstate Children's Compact for the uniform treatment of military children transferring between school districts and states.

In order to participate in Graduation Ceremonies from Junction City High School, a student must also complete two nonacademic requirements. The **Service Learning Requirement** is 35 hours of volunteer community service for a student who attends JCHS for four years and is prorated at 9 hours per year for students who attend JCHS less than four years. In order to receive credit, the student's service must be volunteer, non-paid, outside of the instructional day and it must be approved and posted to the student's record. The **Activity Participation Requirement** means that a student must complete one full season in a sport or activity or one full year in a club or organization. These requirements should be completed by the end of the first semester of the student's senior year. Exemptions from this requirement can only be authorized by the principal.

NOTE: In order for students to participate in Graduation Ceremony, they must have met:

1. All academic, activity, and service learning requirements for graduation as stated by Board of Education policy by the seniors' last day of attendance prior to the graduation date set each school year.
2. Be in good standing with the school.

*Graduates will receive their diplomas after Graduation unless a student chooses not to conform to the general guidelines on proper attire or appropriate behavior or fail to fulfill **All financial obligations which includes book fees and other fines, library obligations, and the return of all athletic/activity clothing and equipment.***

If that becomes the scenario, the student will then have to pick up his/her diploma from the Principal, the Superintendent, or may even be required to attend a School Board meeting to explain or justify his/her actions to the Board of Education before the diploma is granted.

ALTERNATIVE SOURCES OF CREDIT

In addition to earning credits during the regular school day and year, students may earn credits through various other programs.

Concurrent Enrollment — Juniors and Seniors will be allowed to take concurrent college courses during both semesters in addition to enrolling in their required courses at the high school. Sophomore students may also enroll in concurrent college courses as long as they have completed the ACT or other appropriate placement testing. In accordance with our articulated agreement, only courses taken through Cloud County Community College will count as dual credit, earning both high school and college credit. Classes from other institutions may earn college credit only. If students wish to earn dual credit for Cloud County Community College classes that were either taken online or on campus, they must provide official CCCC transcripts to the registrar.

Summer and Twilight School — Credit recovery for students who need to make up credits.

Computer Based Learning — Credit recovery program during the regular school day for students requiring two or more credit recovery classes.

Larry Dixon Center for Innovative Studies - The LDC is an alternative learning environment for those students whose actions and behaviors create an unsafe learning environment at JCHS or for those students who have been short or long term suspended. The LDC allows students to continue to earn academic credit through a full day program consisting of both online and classroom curriculum with the goal of returning the student to their assigned Career Academy at JCHS. A student can only be placed/assigned at the LDC with approval from an administrator.

JCHS TWILIGHT SCHOOL

It is important for students enrolled in Twilight School to attend regularly. Students are allowed three unexcused absences for Twilight School. Any student who accumulates more than three (3) unexcused absences during a semester of Twilight School will not be issued credit. All absences are considered unexcused unless the student is considered excused in the school day or the Twilight School Administrator is notified by the school nurse the student is excused for health reasons and the student signs out of their academy office for the remainder of the day. A student's participation in athletics or activities is not a reason for being absent from Twilight School. Absences can accumulate as follows:

- A) If a student misses more than 30 minutes of a class, it will count as one full absence
- B) If a student misses from 10 – 29 minutes of a class, it will count as 1/2 absence
- C) If a student misses less than 9 minutes of a class, it will count as 1/4 absence

CLASS TIMES – Classes begin promptly at 3:45 PM and conclude at 5:15 PM Monday through Thursday. On days that regular school is not in session, there will be no Twilight School.

FEES/Course Offering – There will be a \$45 Twilight School enrollment fee for each semester a student enrolls in Twilight School. There is no refund for a student who is not issued credit or withdrawals from Twilight School. For more information, see your academy counselor.

SEVEN SEMESTER GRADUATION RULE

The seven semester graduation rule was implemented in recognition that the four-year enrollment requirement may not serve the best interests of some students. Board policy states that no student will be allowed to graduate with less than seven (7) semesters satisfactorily completed. Students who have completed the required number of units by the end of the seventh semester may receive permission to graduate early. Students interested in early graduation are required to complete a request for early graduation. Forms may be picked up from your academy counselor and must be submitted along with the student's enrollment packet in the Spring Semester of their Junior year.

FLEXIBLE SCHEDULING

To be eligible for Flex Scheduling, students must make written request through the Academy Counselor and Administrator to obtain a flexible schedule. Eligibility is based on a student being in good academic standing and on track to graduate. **Students may have flex schedule for** off-campus college classes (proof of enrollment required), internships or for extenuating family circumstances.

HONOR ROLL

To be eligible for any Honor Roll, a student must be enrolled in at least four classes. A student who receives one or more "F's" will not qualify for the Honor Roll in spite of his/her G.P.A.

Principal's Honor Roll—4.0 or higher

Blue Jay Honor Roll—3.50-3.99

Honor Roll—3.00-3.49

TRANSCRIPT TRANSLATION PROCEDURES

Junction City High School translates transcripts according to the following guidelines:

- If a sending school posts transcripts using letter grades, those grades are honored regardless of the sending school's grading scale.
- If the grading scale is not indicated on the transcript, Junction City High School contacts the sending school to obtain the grading scale and issues letter grades according to the sending school's scale.
- If a numeric grading system is used and the grading scale is printed on the transcript from the sending school, this scale is honored and letter grades are issued according to the sending school's scale.
- Junction City High School has a weighted grading system, which includes all Advanced Placement courses. If AP and International Baccalaureate (IB) coursework is not weighted for a sending school, Junction City High School will weight these courses in configuring the cumulative GPA on the following basis: A (5.0), B (4.0), C (3.0), D (1.0), F (0.0). All other classes, including Pre-AP, Pre-IB, and Honors classes are based on a 4-3-2-1 system, unless these courses are weighted by the sending school.

GPA is computed by the total number of units attempted.

ACADEMIC LETTER

Students maintaining an exemplary Grade Point Average will be awarded an academic letter and/or bar at the Annual Academic Letter Banquet, held on a Monday in late January or early February. Students who have established/maintained a 3.5 or better cumulative GPA will earn a letter and the "lamp of learning" pin. Bars will be awarded for each successive year in which 3.5 cumulative GPA is maintained.

VALEDICTORIAN-SALUTATORIAN

In general, the JCHS Valedictorian and Salutatorian Awards will honor the students in the Senior Class with the highest and second highest cumulative grade point averages respectively. However, because grade point averages can be subject to statistical anomalies that affect class rank, the JCHS Administration reserves the right to review each candidate's academic record and to make appropriate adjustments in the awards given. Honorees must be in attendance at JCHS during the entirety of their senior year.

GRADUATING WITH HONORS OR ANY HONOR RECOGNITION

Any senior who receives a semester grade of F or who opts for a WP (Withdrawn Passing) or a WF (Withdrawn Failing) in a class will not be a candidate for Valedictorian, Salutatorian or any honor recognition.

Senior students maintaining 7-semester cumulative GPA of 3.5 or higher will be recognized for "Graduating with Honors" and will wear cords signifying their achievements during the graduation

ceremony.

Students earning 4.000 or higher are designated "Summa Cum Laude"

Students earning 3.750-3.999 are designated "Magna Cum Laude"

Students earning 3.500-3.749 are designated "Cum Laude"

GRADE CARDS/PROGRESS REPORTS

Grades will be calculated every six (6) weeks. Grades cards will be mailed to the student's home of record immediately following the end of the 6 week period. Each 6 week period ends on September 23, November 4, December 16 (end of first semester), February 10, Mar 31 and May 25 (end of second semester for underclassmen, second semester for seniors ends one week earlier).

Six week grades will NOT be changed. They are only progress reports. Deadline for changing semester grades (incompletes) is two (2) weeks after the semester has ended. Parents can gain information such as grades, attendance, fees, etc. by using "Family Access in Skyward." To gain access to "Skyward", a parent/guardian should bring a photo id to the student's academy office.

Parents are urged to contact their student's classroom teacher(s) and/or counselor any time they have a question or concern about their student's academic progress.

PARENT RIGHT-TO-KNOW

Parents may obtain the school and district report cards via the school district's website:

www.usd475.org, and /or acquire a copy through the high school principal's office at 785 717-4220 or MelissaSharp@usd475.org.

PROFESSIONAL QUALIFICATIONS-STAFF

Parents may request information regarding the professional qualifications of the student's classroom teachers, including, at a minimum,

- whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived;
- the baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree; and whether the child is provided services by qualified paraprofessionals.

SECTION VI: GENERAL INFORMATION

TEXTBOOK RENTAL

Junction City High School has developed a rental system for books. Students are responsible for turning in their text books at the end of the course. If not returned, students will be billed for the textbook. Lost, stolen or damaged books will be assessed at appropriate cost. The replacement cost for a Student Planner is \$5.00

LOCKERS

All valuable articles for non-school use should be left at home. JCHS is not responsible for articles lost or stolen from lockers, but we request that all articles missing from lockers be reported to the office. Lost or stolen locks must be replaced with a school lock at the cost of \$8.50. Students must use lockers assigned to them. No unauthorized trading of lockers is allowed. Only school-issued locks are allowed on lockers. All questions about lockers should be addressed to the cashier. Sharing lockers or telling locker combinations is not advisable – unless students are assigned to share lockers by an administrator. Lockers are subject to search at the request of an administrator.

Junction City High School provides a photo I.D. card to each student. Students are expected to have their I.D. cards with them at all times. Pictures for I.D. cards will be taken in August, with retakes in October. Lost I.D. cards should be reported to your Academy Office. To replace a lost I.D. card, students are to report to the security booth at the CAC or room 100 at the FSA and request a retake. Students will be issued a seminar pass so they can report back in seminar for the retake. Students are expected to have their School ID in their possession at all times.

Uses of I.D. cards include but are not limited to:

1. Reduced admission and/or ticket purchase to school-sponsored events.
2. Library use
3. Lunch ticket purchase
4. Seminar Travel
5. Participation in Student/Staff Recognition Programs

PARKING LOT POLICIES

All vehicles must be registered and identified with a parking permit in order to park in JCHS campus parking lots. The first permit is free. For additional and/or replacement permits, the cost is \$5.00. Parking permits should be placed on the lower right corner of the rear passenger windshield. Student parking is located in the north lots (upper and lower).

Numbered parking slots in the north lot of the CAC, parking lots adjacent to the Deever Building at the CAC and the Northwest, Northeast and Southeast parking lots of the FSA are designated for Faculty/Staff use only. **Students who are parked in these designated areas or areas designated for Visitors or Handicapped Only are subject to a maximum \$25.00 fine, suspension, loss of parking privileges, and/or towing at the owner's expense.**

The standards found in the ESI statutes and regulations are required to be followed in all Kansas public school districts and accredited private schools. DISTRICT BULLYING POLICY

USD 475 Board Policy prohibits bullying in any form either by any student, staff member, or parent towards a student or by a student, staff member, or parent towards a staff member on or while using school property, in a school vehicle, or at a school-sponsored activity or event.

It is a Core Belief of the Educators in the Geary County USD 475 Schools that:

- We will not bully others.
- We will help students who are bullied.
- We will make it a point to include students who are easily left out.
- When we know somebody is being bullied, we will tell an adult at school and an adult at home.

VIOLENCE FREE SCHOOLS

It is everyone's responsibility to keep our schools free of violent acts of any kind. Students, staff, patrons, and guests have the right to feel safe in all district buildings and at any school sponsored activity. Information concerning Violence Free Schools is located in USD 475's Parent Handbook. Additionally, the Federal Safe Schools Act requires school officials to report to a law enforcement officer ALL incidents involving a fight at school or school related activity and/or offensive, obscene, or abusive language directed towards a staff member. It is the understanding of school officials that

any student involved in such incidents will be charged with disorderly conduct in compliance with statute 21-4101.

DRUG FREE SCHOOLS INFORMATION

Geary County USD 475 operates under the guidelines of the Drug Free Schools and Communities Act. This means that the Board of Education has a policy and procedures designed to make this school safe by ensuring a ban on drugs and alcohol on school grounds. You can help make our school a safe and healthy place to learn by becoming aware of the following information.

USD 475 BOARD OF EDUCATION DRUG FREE SCHOOLS POLICY

Maintaining drug-free schools is important in establishing an appropriate learning environment for the district's students. Unless otherwise specified in this policy, the possession, use, sale, distribution, and/or being under the influence of illicit drugs, controlled substances, and/or alcohol by students at school, on or in school property, or at school sponsored activities or events is prohibited.

As a condition of continued enrollment in the district, students shall abide by the terms of this policy. Students shall not manufacture, distribute, dispense, possess, be under the influence of or use illicit drugs, controlled substances or alcoholic beverages on school district property, or at any school-sponsored activity. Any student violating the terms of this policy will be reported to the appropriate law enforcement officials.

Violators will be subject to sanctions which could include:

1. Short-term suspension.
2. Long-term suspension (not less than one semester or four months).
3. Expulsion from school for remainder of school year.
4. Suspension from participation in and attendance at school-sponsored activities.
5. Notification of the military or civilian police.
6. Referral to the Student Assistance Program for services.

A student placed on long-term suspension under this policy may be readmitted on a probationary status if the student agrees to complete a drug and alcohol rehabilitation program. The school will make available a list of programs. The student and his/her parents/guardians are responsible for paying for such rehabilitation.

Students who are suspended or expelled under the terms of this policy will be afforded the due process rights contained in Board policies and Kansas statutes (K.S.A 72-8901, et. seq.). Nothing in this policy is intended to diminish the ability of the district to take other disciplinary action against the student in accordance with the policies governing student discipline.

In the event it is agreed that the student will enter into and complete a drug education or rehabilitation program, the cost of such a program will be the responsibility of the student and his/her parents/guardians. A list of drug and alcohol counseling, treatment and rehabilitation programs, along with the names and addresses of contact persons for the programs is on file with the Drug Free Schools coordinator. Parents/guardians or students should contact the directors of the programs to determine the cost and length of the program.

A copy of this policy and a list of sanctions for violating the policy will be provided to all students and their parents/guardians. Parents/guardians of all students will be notified that compliance with this policy is mandatory.

Student Random Drug Testing Policy

The USD 475 board of Education, in an effort to protect the health and safety of its students involved in extra-curricular activities from illegal drug and alcohol use and abuse or injuries resulting from the use of illegal drugs and or alcohol, has adopted a policy for drug testing of students participating in Kansas State High School Activities Association (KSHSAA) activities at Junction City High School. The procedure for random drug testing of high school students participating in extra-curricular activities as defined in this policy is accomplished in conjunction with an independent drug-testing Vendor selected by the USD 475 Board of Education.

Although the USD 475 random drug testing policy is designed for students participating in KSHSAA sponsored activities, any USD 475 parent/guardian/custodian may request to have their student **OPT –IN** to the random pool of student rosters. A consent form to **OPT –IN** to the policy may be picked up in the activities office and/or any academy office. For more information contact JCHS Athletic Director.

Guidelines for the Use of Social Media

Geary County Schools USD 475 recognizes the importance of online social media networks as a communication and e-learning tool. Social media sites are powerful communication tools that have become integrated into everyday life. They also can have a powerful impact on organizational and professional reputations. Using social media networks presents a new set of options for achieving communication and classroom objectives, and Geary County Schools recognizes the value of innovation using new technology tools to enhance the learning experience. Social media networks also have great potential to connect staff, students, parents and community to the important work taking place within our schools. At the same time, the District recognizes its obligation to teach and ensure responsible and safe use of these technologies.

These guidelines address employees' use of publicly available social media networks including (but not limited to) Wikis, Social Networks (i.e., Facebook, LinkedIn, Twitter, Edmodo), Photo and Video Sharing sites (i.e., YouTube, Instagram, Flickr), online forums and virtual worlds. In an effort to enhance communication between parents, guardians or students, we have guidelines in place for the use of social media sites (i.e., Facebook, LinkedIn, Twitter, Edmodo), Photo and Video Sharing sites (i.e., YouTube, Instagram, Flickr), online forums and virtual worlds. We would like to give students who use these social media websites the opportunity to collaborate with their teacher in a safe and monitored environment and to ask questions as well as work with teacher sponsored clubs and/or organizations.

The teacher's social media page may be visible to the public, however it will be monitored by the classroom teacher and periodic checks will be made by administration. These social media pages will only be used for educational purposes such as communication, collaboration, and resources. Each student that is utilizing the page will take part in digital citizenship training that the classroom teacher will facilitate. This is not to take the place of any regular communication about assignments nor is it required.

Student expectations:

- Classroom social media sites are intended for educationally enriching purposes only. Any inappropriate content will be deleted and disciplinary action will follow based on school practices regarding abuse of technology.
- Students must participate in digital citizenship instruction.
- The Social Media Guidelines set by Geary County Schools USD 475 as well as the district-wide Acceptable Use Policy regarding educational technology will be expected to be followed by the students, as well as the teacher.
- Students must share this **information** with a parent and/or guardian. Guardians have the right to opt their student out of participating in the classroom social media site by requesting an **“Opt Out Letter by the classroom teacher who is utilizing social media to communicate with the student or by requesting an “Opt Out Letter by student’s assigned Academy Office.**
- Any parent with questions regarding the classroom social media site may contact the classroom teacher or their student’s academy administrator directly.

JUNCTION CITY HIGH SCHOOL DIGITAL TECHNOLOGY ACCEPTABLE USE POLICY

Students engaging in unauthorized picture taking, audio recording or videotaping on school grounds or activities, or use school equipment on or off school grounds in an unauthorized manner, are subject to the administration of appropriate disciplinary resolutions up to and including suspension or expulsion. KANSAS STATE HIGH SCHOOL ACTIVITIES ASSOCIATION (KSHSAA) – ELIGIBILITY REQUIREMENTS

The guidelines listed below are written in general terms and are a summary of some of the KSHSAA eligibility rules. More detailed explanations of these rules and guidelines can be found in the KSHSAA manual or can be accessed through the KSHSAA website at www.kshsaa.org. Coaches and administrators are expected to be familiar with the rules of eligibility. If there are questions about eligibility, inquiries should be directed to the JCHS Athletic Director.

Scholarship

A student must have passed at least five new subjects (those not previously passed) of unit weight, or its equivalency, the previous semester or the last semester of attendance.

Enrollment

A student must be enrolled in and be attending a minimum of five new subjects (those not previously passed), of unit weight, or its equivalency, during the current semester.

Transfers

A student who makes a bona fide move with his/her parents to a new permanent residence within the boundary of the school to which the student transfers is immediately eligible as it relates to the transfer rule. A student changing school without an accompanying move on the part of his/her parents will be ineligible for interscholastic extracurricular activities for 18 weeks beginning with the first day of attendance.

Outside Competitions

A student who is a member of a school athletic squad effective Tuesday following Labor Day through Friday preceding Memorial Day may not participate as a member of an outside team or as an independent competitor in the same sport during the same season. Participation with an outside group may make the student ineligible for the remainder of that sport season.

Clinics

A student cannot participate in group training/practice sessions, clinics, or tryouts held by outside agencies in a sport while he/she is a member of a school athletic team in that identical sport. A group is defined as two or more students receiving instruction from an instructor during the same period of instruction. A student may receive private instruction at any time during the year. Private instruction is defined as one student receiving instruction from one person during the period of instruction.

GENERAL JCHS ELIGIBILITY GUIDELINES

In order for a student to be eligible to participate in KSHSAA activities at Junction City High School, the student must be a bona fide undergraduate member of that school and in "good standing". Junction City High School's definition of a student in "good standing" is, but not limited to, the following:

- A student must not be under penalty of suspension or be a student whose character or conduct brings discredit to the school as determined by building administration.
- A student shall have passed at least five new subjects (those not previously passed) of unit weight, or its equivalency, the previous semester or last semester of attendance. Credit recovery courses will not be allowed to be used for the purpose of becoming eligible at semester.
- A student must be enrolled in and attending a minimum of five new subjects (those not previously passed). Credit recovery courses do not count towards the minimum of five new subjects.
- A student must be on grade level as defined by JCHS graduation requirements. JCHS administration will address transfer students on an individual basis.
- A student may not enter into step 2 of the truancy process.
- A student must meet all other KSHSAA requirements regarding eligibility.
- A student-athlete must also comply with guidelines set forth in the "Athletic Code of Conduct".

In addition to Junction City High School's definition of a student in "good standing", a head coach/lead sponsor may establish additional expectations that define a student in "good standing" for their program. For additional guidance concerning student athlete participation, please contact JCHS Athletic Director.

STUDENT RANDOM DRUG TESTING

The USD 475 board of Education, in an effort to protect the health and safety of its students involved in extra-curricular activities from illegal drug and alcohol use and abuse or injuries resulting from the use of illegal drugs and or alcohol, has adopted a policy for drug testing of students participating in Kansas State High School Activities Association (KSHSAA) activities at Junction City High School. The procedure for random drug testing of high school students participating in extra-curricular activities as defined in this policy is accomplished in conjunction with an independent drug-testing Vendor selected by the USD 475 Board of Education. To facilitate random testing, the Designated Official(s) will provide the Vendor with a list of eligible students and in turn the Vendor will randomly select those students from that list to be tested. The number of students selected for each test will be determined by the Designated Official(s). The Vendor will send qualified collectors to the school to oversee the collection of all specimens as outlined in this policy and procedure. The Vendor will provide Medical Review Officer (MRO) services for interpretation and verification of results. Results are reported to the Building Principals or Designated Official(s) by the MRO. Specimens are collected as split specimens.

STATEMENT OF NEED AND PURPOSE

Recognizing that observed and suspected use of tobacco, alcohol and illicit drugs by USD 475 students (grades 9-12) is a serious concern, a program of deterrence (namely, Student Random Drug Testing of Extra-curricular Participants) will be instituted as a pro-active approach to promote a drug free school environment. The purpose of the program is:

1. to provide for the safety of all students.
2. to undermine the effects of peer pressure by providing a legitimate reason for students to fuse to use illegal drugs.
3. to encourage students who use drugs to participate in drug treatment programs.
4. to promote achievement of each student's full academic potential by preventing the impact
5. drug and alcohol use has on the learning centers of the brain.

The random drug testing program is academically non-punitive. This policy is designed to create a safe, drug free environment for students and to assist them in getting help when needed.

Participation in school sponsored extra-curricular activities in USD 475 is a privilege. Accordingly, students in extra-curricular activities carry a responsibility to themselves, their fellow students, their parents, and their school to set the highest possible examples of conduct, which includes avoiding the use or possession of illegal drugs and alcohol.

Although the USD 475 random drug testing policy is designed for students participating in KSHSAA sponsored activities, any USD 475 parent/guardian/custodian may request to have their student **OPT –IN** to the random pool of student rosters. A consent form to **OPT –IN** to the policy may be picked up in the athletic office and/or any academy office.

For additional information concerning the implementation and/or administration of the student random drug testing policy, please contact the JCHS Athletic Director.

RULE 52

In keeping with the Kansas State High School Activities Association requirement to encourage and enforce good sportsmanship, we ask that all students/fans assist us in honoring Rule 52.

Rule 52 requires the following:

- Be courteous to all. (participants, coaches, officials, staff, and fans)
- Know the rules, abide by and respect the officials' decisions.
- Win with character and lose with dignity.
- Display appreciation for good performance regardless of the team and school.
- Exercise self-control and reflect positively upon yourself, team and school.
- Permit only positive sportsmanlike behavior to reflect on your school or its activities.
- All actions are to be for, not against; positive, not negative or disrespectful!
- Students/fans who violate rule 52, or who display any type of poor sportsmanship, will be ejected from the activity; may be subject to loss of privilege of attending school activities, as well as further disciplinary actions.

ATTENDANCE REQUIREMENTS FOR STUDENT ACTIVITY PARTICIPATION

Any student participating in any athletic or activity program sponsored by KSHSAA and/or JCHS must be in attendance at school for the entire day's schedule of classes in order to be eligible and in good standing to practice, perform or compete later on that day or night. This policy applies to but is not limited to the following types of activities:

1. Athletic practices, meetings, contests.
2. Musical and drama rehearsals, performances, contests, tryouts and festivals.
3. Drill team, cheerleaders, JROTC clinics, interviews, tryouts, rehearsals, performances, fund raisers.
4. Club and organizational meetings, fund raising, projects, conferences, workshops, contests, or other activities sponsored by that club.

Students not in attendance for the full day of classes on a Friday are not eligible to practice, perform, or compete on Saturday. Upon their return to classes on Monday, they would be eligible to participate. This policy may be waived and the student allowed to participate if the following actions are taken:

- A call is made in advance of the absence by the student's parent/guardian explaining the reason and the necessity for the student missing all or part of that day.
- In emergency situations a call is made as soon as is possible or convenient explaining the nature of the student's absence.

The decision to waive this policy will then be made by the administration. Calls should be directed to the athletic director at 717-4214.

Students who miss all or part of a school day will comply with the above policy. Students are expected to be at school and in class the following morning when classes begin following an activity the previous night.

STUDENT TRANSPORTATION

Bus transportation will be provided to students to and from school for those students who qualify. Transportation will be provided by the school district for all extra-curricular activities. Students are prohibited from driving personal automobiles to school district-sponsored activities held during the school day.

TRANSPORTATION OF STUDENTS PARTICIPATING IN ACTIVITIES:

1. Cheerleaders, mascots, and athletes must ride in school vehicles to and from out of town school activities.
2. Students participating in in-town or out-of-town school sponsored activities must ride in school vehicles. The only exception is as follows:
 - After obtaining prior approval from the principal, students who are participants may ride home or elsewhere with their parents following out-of-town school sponsored activities.
 - Parents must submit their request in writing for the athletic director's approval.
 - Individuals who are not participants must arrange for their own transportation.

In-district transportation for groups of five or less can be accomplished at the discretion of the principal. For exceptions to this policy, please refer to the Student Athletic Handbook.

Sexual harassment is unwelcome sexual advances, requests for sexual favors and other inappropriate oral, written or physical conduct of a sexual nature when made by a member of the school staff to a student or when made by any student to another student when: (1) submission to such conduct is made, explicitly or implicitly, a term or condition of the individual's education; (2) submission to or rejection of such conduct by an individual is used as the basis for academic decisions affecting that individual; or (3) such conduct has the purpose or effect of interfering with an individual's academic or professional performance or creating an intimidating, hostile or offensive academic environment.

Sexual harassment may result from verbal or physical conduct or written or graphic material. Sexual harassment may include, but is not limited to: verbal harassment or abuse; pressure for sexual activity; repeated remarks to a person, with sexual or demeaning implication; unwelcome touching; or suggesting or demanding sexual involvement accompanied by implied or explicit threats concerning a student's grades, participation in extra-curricular activities, etc.

The district encourages all victims of sexual harassment and persons with knowledge of such harassment to report the harassment immediately. The district will promptly investigate all complaints of sexual harassment and take prompt corrective action to end the harassment.

The District will investigate complaints of sexual harassment in accordance with the district's discrimination complaint procedure. (See KN). Complaint forms may be obtained from each building office, the central office, or the District's website.

The Director of Human Resources has been designated to handle inquiries regarding this policy and/or receive sexual harassment complaints. Any such incidents should be reported to the Director of Human Resources, 123 N. Eisenhower, Junction City, KS 66441, Telephone 785 717-4000. Complaints received will be investigated to determine whether, under the totality of the circumstances, the alleged behavior constitutes sexual harassment under the definition outlined above. Unacceptable student conduct may or may not constitute sexual harassment, depending on the nature of the conduct and its severity, pervasiveness and persistence. Behaviors which are unacceptable but do not constitute harassment may provide grounds for discipline under the code of student conduct.

An employee who witnesses an act of sexual harassment shall report the incident to the building principal. Employees who fail to report complaints or incidents of sexual harassment to appropriate school officials may face disciplinary action. School administrators who fail to investigate and take appropriate corrective action in response to complaints of sexual harassment may also face disciplinary action.

When a complaint contains evidence of criminal activity or child abuse, the building coordinator or district coordinator shall report such conduct to the appropriate law enforcement or SRS authorities.

To the extent possible, confidentiality will be maintained throughout the investigation of a complaint. The desire for confidentiality must be balanced with the district's obligation to conduct a thorough investigation, to take appropriate corrective action or to provide due process to the accused.

The filing of a complaint or otherwise reporting sexual harassment shall not reflect upon the individual's status or grades. Any act of retaliation against any person who has filed a complaint or testified, assisted, or participated in an investigation of a sexual harassment complaint is prohibited. Any person who retaliates is subject to immediate disciplinary action, up to and including expulsion for a student or termination of employment for an employee. Any such incidents should be reported to the Director of Human Resources, 123 N. Eisenhower, Junction City, KS 66441, Telephone 785 717-4000.

False or malicious complaints of sexual harassment may result in corrective or disciplinary action against the complainant.

A summary of this policy and related materials shall be posted in each district facility. The policy shall also be published in student, parent and employee information books as directed by the district compliance coordinator. Notification of the policy shall be included in the school newsletter or published in the local newspaper annually.

JGECA Racial Harassment

(See GAACA, GAAB, GAF, JDDC and KN)

Racial Harassment is racially motivated conduct which:

1. Affords a student different treatment, solely on the basis of race, color or national origin, in a manner which interferes with or limits the ability of the student to participate in or benefit from the services, activities or programs of the school;
2. Is sufficiently severe, pervasive or persistent so as to have the purpose or effect of creating a hostile academic environment; or
3. Is sufficiently severe, pervasive or persistent so as to have the purpose or effect of interfering with a student's academic performance or ability to participate in or benefit from the services, activities or programs of the school.

Behaviors which are unacceptable but do not constitute harassment may provide grounds for discipline under the code of student conduct. The discipline of a student for violation of any provision of the code of student conduct may be enhanced if the conduct is racially motivated. An employee who witnesses an act of racial harassment shall report the incident to the building principal. Employees who fail to report complaints or incidents of racial harassment to appropriate school officials may face disciplinary action. Forms for filing written complaints are available in each building office, and the central office or accessed on the District's website.

In other instances, the investigation shall be conducted by the building principal, the compliance coordinator or another individual appointed by the board. terminated, procedures outlined in board policy, the negotiated agreement or state law will be followed.

- Records relating to complaints filed and their resolution shall be forwarded to and maintained in a confidential manner by the district compliance coordinator.
- The complainant may appeal the determination of the complaint. Appeals shall be heard by a hearing officer appointed by the board, or by the board itself as determined by the board. ADMINISTRATIVE GUIDELINES EMERGENCY SAFETY INTERVENTIONS (ESI)

Safety for students and staff is always our number one concern. There are times when a student may demonstrate physically dangerous and/or destructive behaviors. In those situations, the student, peers and school personnel are at an increased risk for injuries and the student's behaviors may require an immediate use of Emergency Safety Interventions (ESI) by school personnel. The purpose of using ESI is to safeguard and help the student regain control so that learning may continue. In such situations, school personnel may physically restrain the student to protect him/her from injury, from hurting other students or adults, and from violent actions that may be destructive to property. Another intervention may be to remove a student from the scene of imminent danger or injury for a brief period of time. The purpose of this temporary removal is also to prevent students from harming themselves or others.

GAAF Emergency Safety Interventions GAAF

(See GAO, JRB, JQ, and KN)

The board of education is committed to limiting the use of Emergency Safety Interventions ("ESI"), such as seclusion and restraint, with all students. Seclusion and restraint shall be used only when

a student's conduct necessitates the use of an emergency safety intervention as defined below. The board of education encourages all employees to utilize other behavioral management tools, including prevention techniques, de-escalation techniques, and positive behavioral intervention strategies.

This policy shall be made available on the district website with links to the policy available on any individual school pages. In addition, this policy shall be included in at least one of the following: each school's code of conduct, school safety plan, or student information book.

Definitions (See K.A.R. 91-42-1)

"Emergency Safety Intervention" is the use of seclusion or physical restraint when a student presents an immediate danger to self or others. Violent action that is destructive of property may necessitate the use of an emergency safety intervention.

"Seclusion" requires all three of the following conditions to be met: (1) the student is placed in an enclosed area by school personnel; (2) the student is purposefully isolated from adults and peers; and (3) the student is prevented from leaving, or reasonably believes that the student will be prevented from leaving, the enclosed area.

"Chemical Restraint" means the use of medication to control a student's violent physical behavior or restrict a student's freedom of movement.

"Mechanical Restraint" means any device or object used to limit a student's movement.

"Physical Restraint" means bodily force used to substantially limit a student's movement.

"Physical Escort" means the temporary touching or holding the hand, wrist, arm, shoulder, or back of a student who is acting out for the purpose of inducing the student to walk to a safe location.

"Time-out" means a behavioral intervention in which a student is temporarily removed from a learning activity without being confined.

Prohibited Types of Restraint

All staff members are prohibited from engaging in the following actions with all students:

- Using face-down (prone) physical restraint;
- Using face-up (supine) physical restraint;
- Using physical restraint that obstructs the student's airway;
- Using physical restraint that impacts a student's primary mode of communication;
- Using chemical restraint, except as prescribed by a licensed healthcare professional for treatment of a medical or psychiatric condition; and
- Use of mechanical restraint, **except**:
 - o Protective or stabilizing devices required by law or used in accordance with an order from a licensed healthcare professional;
 - o Any device used by law enforcement officers to carry out law enforcement duties; or
 - o Seatbelts and other safety equipment used to secure students during transportation.

Training

All staff members shall be trained regarding the use of positive behavioral intervention strategies, de-escalation techniques, and prevention techniques. Such training shall be consistent with nationally recognized training programs on the use of emergency safety interventions. The intensity of the training provided will depend upon the employee's position. Administrators, licensed staff members, and other staff deemed most likely to need to restrain a student will be provided more intense training than staff who do not work directly with students in the classroom. District and building administration shall make the determination of the intensity of training required by each position.

Each school building shall maintain documentation regarding the training that was provided and a list of participants.

Notification and Documentation

The principal or designee shall provide written notification to the student's parents any time that ESI is used with a student. Such notification must be provided within two (2) school days.

In addition, each building shall maintain documentation any time ESI is used with a student. Such documentation must include all the following:

- ① Date and time of the intervention;
- ① Type of intervention;
- ① Length of time the intervention was used, and
- ① School personnel who participated in or supervised the intervention.

All such documentation shall be provided to the building principal, who shall be responsible for providing copies of such documentation to the superintendent on at least a biannual basis. At least once per school year, each building principal or designee shall review the documentation of ESI incidents with appropriate staff members to consider the appropriateness of the use of ESI in those instances.

Reporting Data

District administration shall report ESI data to the state department of education as required.

Local Dispute Resolution Process

The board of education encourages parents to attempt to resolve issues relating to the use of ESI informally with the building principal and/or the superintendent before filing a formal complaint with the board. In the event that the complaint is resolved informally, the administrator must provide a written report of the informal resolution to the superintendent and the parents and retain a copy of the report at the school. The superintendent will share the informal resolution with the board of education and provide a copy to the state department of education.

If the issues are not resolved informally with the building principal and/or the superintendent, the parents may submit a formal written complaint to the board of education by providing a copy of the complaint to the clerk of the board and the superintendent.

Upon receipt of a formal written complaint, the board president shall assign an investigator to review the complaint and report findings to the board as a whole. Such investigator may be a board member, a school administrator selected by the board, or a board attorney. Such investigator shall be informed of the obligation to maintain confidentiality of student records and shall report the findings and recommended action to the board in executive session.

Any such investigation must be completed within thirty (30) days of receipt of the formal written complaint by the board clerk and superintendent. On or before the 30th day after receipt of the written complaint, the board shall adopt written findings of fact and, if necessary, appropriate corrective action. A copy of the written findings of fact and any corrective action adopted by the board shall only be provided to the parents, the school, and the state department of education.
